## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 21-43 & 45-48 are allowed.
2. The following is an examiner's statement of reasons for allowance:
  - a. Regarding Claim <sup>21</sup>1-39, a thorough search of the prior art fails to disclose any reference or references, which, taken alone or in combination, teach or suggest, in combination with the other limitations, the swung golf club blocks the incidental light from being received by the light reception device and the discrimination circuitry is configured to discriminate the received light from the incidental light responsive to the blocking.
  - b. Regarding Claim 40-43 & 45-48, a thorough search of the prior art fails to disclose any reference or references, which, taken alone or in combination, teach or suggest, in combination with the other limitations, discrimination circuitry coupled the light reception device and configured to discriminate the reflected reference light received from the light emission device from incidental light by generating a timed pulse responsive to reference light being received within the light reception device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
